COMBAT-REPORT

What we stand for:

Because we represent those members of the White Race who live in N.Y. State, and use the our ancient racial emblem, the Holy Swastika,which proclaims to all of our racial enemies, our patriotism and loyalty, to the White Race only.

The Holy Swastika is our talisman against cowards, weaklings and do-nothings. It is also proof against our racial enemies,whatever thier guise.Indeed, it is our secret weapon.

We of the NSLF Pledge;

1. To provide to the white majority a movement which represents thier interests and not the hidden hand of Zionist-Communist subversives that now occupy the seats of government, both in Washington,D.C. & in Albany,N.Y. our State Capitol.

2. To unmask the evil and costly face of the welfare state socialism to cast this evil pestilence from our midst.In order that we Whites may live in a healthy society.

3. To unify all of the Aryan (White) tribes of America and Europe in a common bond of mutual harmony and understanding.

4. To halt the Aryan retreat from White Victory !

5. to remove the alien exploiters and parasites from thier positions of power in government and out of our lives forever!

6. To break the irresponsible tyranny of organized crime,bloated bureaucracy, big business, big labor and secret societies forever.

7. To regain national control of our money from the Zionist-Communist b ankers and privately owned Federal Reserve.

8. To re-establish White Law and White Order in a White Society and thereby, return our nation to the path of progress.

12. To insure that honest labor and not sterile speculation is rewarded.

13. To seperate the Races into self-governing Nations.

14. To provide healthy and productive activities of which our White children can be proud of.

Joim us and make your future great!

* Move Away!

For much too long many of our White brothers and sisters remain in the sewerage that are called 'cities'. The time for these to 'move on out' and make the break from these congoid lands of occupation, has passed long ago. Most of the right-thinking Whites fled New York City, Buffalo, Rochester and the such, years ago. Those that remained behind did so because of businesses, family ties and such exscuses. These exscuses no-longer hold any water. The 1980's hold hard times and desolation for these poor souls that remain behind.

There are plenty of racially homogenious areas in upstate NY areas yet to move and relocate to. Remember that 150 mile radius and danger zone as far as the nuclear fallout goes. The 1980's is out-trek time for ours. Those that ignor or fluff off our warnings will be lost. God helps those who help themselves.

* "Always mystify, mislead and surprise theyenemy, if possible"
Stonewall Jackson

We note, with intrest, the ranting and ravings of the Elmira, NY jewpress trying to connect, unsuccessfully, our friends and comrades in the struggle, with the recently unsuccessfull bank robbery spree and shootout in an Elmira housing project with the jew-systems' police. The rumors abound and the confusion is a lesson to untrained and undisciplined comrades in the bank robbery ranks. Of course the two White lads who where killed and the two White pigs who were wounded, and the White pig that was shot and killed by the accidental discharge of the shotgun of a fellow pig, will never know the diffrence! But we who remain behind will remember this. The lessons learned by this episode are: don't go hunting coons and 'lil piggies, without first checking in with your local Board of Parole.

A full account of this mad, mad episode will be published in detail in an up-coming issue of DEFIANCE, the voice of White Revolution. A sturdy n e wspaper published by our National Office in Louisiana. Contact them by writing to NSLF PO BOX 61, Kenner, La. 70063.

*QUEER POWER IN N.Y. GOVERNMENT?

N.Y. State Gov. Mario Cuomo signed into order, and effect, an order

Queers in Gov't. cont.
on Nov. 18,1983, which bars discrimination against any individual seeking government services or benefits, or any individuals in connection with State Employment,hmmm ... makes you want to puke don't it? This satanist government in Albany seems to be going to the queers, just like the one in La Cesspool Grande,D.C. is.Well, does this surprise anyone? We Nazis and White racists will not tolerate this when we take power in New York State.With a National Socialist government, all of the queers will be in workcamps and compounds, weaving carpets and doormats for our State Headquarters.
